

Subject: Continuous Recruitment for NYS Medicaid Evidence Based Benefit Review Advisory Committee (EBBRAC) Membership

Pursuant to Chapter 57, Part B, section 46-a of the Laws of 2015 as [Social Services Law Section 365-d](#), the NYS Medicaid Evidence Based Benefit Review Advisory Committee (EBBRAC) was established to provide advice and make recommendations regarding coverage of health technology or service for purposes of the Medicaid program.

Responsibilities of the EBBRAC include:

- the consideration of matters regarding material changes in the coverage status of a particular item, health technology or service.
- the consideration of matters relative to a new health technology assessment or medical evidence review for which the New York State Department of Health determines a sufficient body of evidence exists to warrant Committee deliberation.

CVs associated with interest in becoming an EBBRAC member are accepted continuously and can be submitted to the EBBRAC mailbox at EBBRAC@health.ny.gov. If no vacancies exist, CVs will be kept on file for consideration once a position becomes available. Questions on membership and candidacy can be directed to the EBBRAC at EBBRAC@health.ny.gov or (518) 473-2160.
