

Guide to Edits for the Eligibility Requirements for Health Home Services and Continued Eligibility in the Health Home Program policy #HH0016

Summary: As of January 2024, the *Eligibility Requirements for Health Home Services and Continued Eligibility in the Health Home Program* policy # HH0016 will now reflect the addition of two new referral sources under Appropriateness Code 34, under Appendix B: [\[HH0016 Eligibility Requirements for Health Home Services and Continued Eligibility in the Health Home Program\]](#). This update supersedes previous policy and guidance regarding eligibility requirements for health home services and continued eligibility in the health home program. Below is the update that has been made to form the new **Eligibility Requirements for Health Home Services and Continued Eligibility in the Health Home Program policy #HH0016**.

Page and Section	Update Made	Update Specifications				Former Location of Information
		Language may be completely new or partially reused from earlier policies. Reference "Former Location of Information" column.				
Page 15, APPENDIX B	Under Code 34, Local Government Units and Single Point of Access have been added as a direct referral source under the Appropriateness Criteria.	Appropriateness Code	Appropriateness Criteria	Program	Comments Required (Y/N)?	New addition to prior Appropriateness Criteria in policy HH0016
		34	Direct referral from MCO, Local Government Units (LGU), or Single Point of Access (SPOA)	Both	N
