

New York Medicaid Electronic Health Records Incentive Program Update

The New York Medicaid EHR Incentive Program provides financial incentives to eligible practitioners and hospitals to promote the transition to electronic health records (EHR). Providers who practice using EHRs are in the forefront of improving quality, reducing costs, and addressing health disparities. Since December 2011 **over \$355.1 million** in incentive funds have been distributed to over **5,925** New York State Medicaid providers.

For more information about the EHR Incentive program, we encourage you to visit the program website at <https://www.emedny.org/meipass/> or attend one of the informational webinars hosted by the New York State Department of Health. To see the complete schedule of events and webinars, please view our **Upcoming Events Calendar** at: <https://www.emedny.org/meipass/info/Events.aspx>.
