On January 25, 2001, GIS Message 01 MA/003 was issued informing local districts that the State resumed mailing the TMA mailers on January 22, 2001.

We have just learned that, due to a programming error, the TMA mailers were not printed on January 22, 2001 or on February 12, 2001. Therefore, local districts should not discontinue any TMA recipients for failure to return the mailers.

The programming error has been corrected. The initial TMA mailers were mailed on February 22, 2001, and the follow up mailers are scheduled to be mailed on March 12, 2001.

Local districts should resume their regular processing of TMA mailers, as directed in 90 ADM-30 and OMM/ADM 97-2.

Any questions should be directed to the Bureau of Local District Support at the following numbers:
