This is to advise you that the agenda has been changed for one of the workshops scheduled for the Fall Medicaid Regional meetings with the local departments of social services. The Session C workshop previously entitled "PCAP and Managed Care" has been changed.

The material to be covered in this workshop has been revised to provide clarification of policy described in 95 LCM-106, "Determining Family Size Relating to Medical Assistance Eligibility for Pregnant Women and Young Children". There will also be a short segment in the workshop on registering to vote at outreach sites when applying for Medical Assistance on the "Growing Up Healthy Medicaid/WIC/Application for Pregnant Women/Young Children" (Motor Voter).

We apologize for any inconvenience this may cause.
