Are you turning 65? Are you or a member of your household living with a disability or End Stage Renal Disease?

If YES, you may be eligible for additional medical benefits or may be required to apply for Medicare in order to keep any benefits you may be receiving.

- ◆ We have trained facilitated enrollers that can provide you with **FREE ASSISTANCE** in applying for Medicare.
- ◆ Our enrollers can help you review your benefits to see if you need to **take action to obtain or keep the health insurance you may be eligible for.**

Our Facilitated Enrollers are located in your community!
