9:30-11:00 AM

Demonstration Proposal to Integrate Care for Dual Eligible Individuals

- In March 2011, NYSDOH received a planning grant from CMS to develop a demonstration proposal around integrated care for individuals eligible for Medicaid and Medicare (Dual Eligibles)
 - CMS provided \$1 Million
 - NYSDOH had 12 months to Develop and Submit a Proposal
- Today's presentation is an overview of the demonstration proposal that is being developed and will be available for public comment.

Important Dates

- March 22, 2012 – Publish draft demonstration proposal for public comment
- April 20, 2012 – Public Comment period will close
- April 26, 2012 – Submit draft demonstration proposal to CMS
- May 4, 2012 – CMS will publish draft demonstration proposal in the Federal Register for public comment

Important Dates (continued)

- June 4, 2012 – Public Comment period will close
- June 2012-September 2012 – Negotiations with CMS
- September 2012 – Implementation begins
- Fall 2013 – Enrollment Begins
- January 2014 – Service Delivery Begins

Context of Demonstration in Care Management for All

- Mandatory Managed Long Term Care enrollment of dual eligibles who receive community-based LTSS beginning this July 2012
- Enrollment Plan anticipates eventual enrollment of all dual eligibles into MLTCP (Phase 6)

Proposed Care Model

- Fully-Integrated Dual Advantage program
 - Capitated managed care program that provides comprehensive array of Medicare, Medicaid, and supplemental services – including:
 - All physical healthcare
 - All LTSS services currently available through MAP program
 - Additional services currently only available through HCBS Waivers
 - Additional supplemental services not currently required in NYSDOH managed care plans
 - All behavioral healthcare

Proposed Service Area

- 8 Counties
 - Bronx
 - Kings
 - Nassau
 - New York
 - Queens
 - Richmond
 - Suffolk
 - Westchester

Proposed Target Population

- All Full Dual Eligibles in 8 County Service Area
 - Age 21 and Over
 - Not receiving services through OPWDD
 - Not receiving services in an OMH Facility
 - Not participating in Bronx Health Access Network Pioneer ACO

Proposed Start Date

- Phase 1 – January 2014
 - Those full dual eligibles in the service area who are enrolled in MLTCP who are receiving community-based long-term supports and services
- Phase 2 – January 2015
 - All remaining full dual eligibles in the service area

Proposed Enrollment Process

- Phase 1 – January 2014
 - In Fall of 2013, the independent Enrollment Broker will contact full dual MLTCP recipients of community-based care and inform them of intention to enroll them into the Fully-Integrated Duals Advantage Program
 - Dual eligibles will be informed that they will be enrolled into a FIDA plan offered by their MLTCP plan sponsor, if available, or will be contacted to be counseled through a choice of FIDA plan
- Phase 2 – January 2015
 - In Fall of 2014, the independent Enrollment Broker will contact remaining full dual eligibles and inform them of intention to enroll them into the Fully-Integrated Duals Advantage Program
 - Dual eligibles will be informed that they will be enrolled into a FIDA plan offered by their Medicaid Advantage or Medicaid Advantage plan or will be contacted to be counseled through a choice of FIDA plan

Proposed Covered Services

- Comprehensive Benefit Package
 - Includes:
 - All Medicare PH, BH, and Rx services and All Medicaid PH, BH, and LTSS State Plan Services
 - As outlined in Medicaid Advantage Plus
 - Plus most of the HCBS Waiver services presently available under NHTD, LTHHCP, and TBI Waivers
 - Plus Supplemental Benefits
