

Catholic Medical Partners®

INDEPENDENT PRACTICE ASSOCIATION

Michael Edbauer, DO, MBA

Organizational Origins

- Not-for-profit membership organization founded in 1997.
- Comprised of:
 - Nearly 1,000 physicians (mostly independent practices with strong primary care network)
 - 5 Catholic Health System Hospitals (risk sharing)
 - Several affiliated network hospitals (non-risk bearing)
 - McAuley Seton Home Care
 - Catholic Health LTC and Sub-acute
 - Regional outpatient behavioral health providers

Structure

- Governance Board is 2/3 physician representation 1/3 institutional representation
- Infrastructure and Culture built over last 10 years
- Over 80% of patient population serviced by practices with NCQA Level III PCMH accreditation
- Have NCQA ACO accreditation
- Have developed integrated model with physician referral agreements and care management programs that span the continuum

Risk History

- First risk contracts in 2006
- Initially only commercial
- Expanded to all books of business (Commercial, Medicare Advantage and Managed Medicaid)
- Joined Medicare Shared Savings Program in 2012
- Currently have over 250,000 lives covered by risk contracting

Future

- Expansion and evolution of risk contracting
- Product development with insurance and business partners
- Development of new payment methodologies for delivery system partners
- Expansion of services within network (behavioral health, housing, social work, dental etc.)
- Continued investment in IT capabilities to leverage data (ex. Crimson)
