EP Attestation Deadline Extended for EHR Incentive Program

The NYS Department of Health (DOH) has obtained CMS approval to extend the deadline for Eligible Professionals (EPs) to attest for Payment Year 2011 in the NY Medicaid EHR Incentive Program. EPs now have until April 29, 2012 to submit attestations for activities conducted in calendar year 2011 (using patient volume data from calendar year 2010 to determine eligibility). The DOH is working with stakeholder organizations and the State's two Regional Extension Centers (RECs) to provide additional assistance to providers in determining their Medicaid patient volume, and this extension will provide time for these activities to be completed prior to the attestation deadline.
