Deadline for Payment Year 2011 EHR Incentive Program attestations

The final date for Eligible Professionals to complete online attestations for the Payment Year 2011 incentive is **April 29, 2011**.

After the online attestation process is completed, providers are required to **print and sign** a five-page **attestation form** (generated by the online attestation system) and **mail** it to NY Medicaid using the address listed on the form. NY Medicaid expects that signed attestation forms will be received within 30 days of the completion of the online attestation process. However, for Payment Year 2011, the deadline for all providers who have completed their online attestation will be extended. **All signed attestation forms for Eligible Professionals for Payment Year 2011 must be received by May 29, 2012.**

If you need to generate a new copy of the printed attestation form, you can do so by following these steps:

1. Go to the MEIPASS website at <https://meipass.emedny.org/>.
2. Enter your ePACES user name and password, check the box to accept the terms and conditions, and click Submit.
3. Leave the Domain and Profile set to the default values, and click Go.
4. Click the Track button.
5. Enter the CMS Registration ID and click Search.
6. Click the red "PDF" button labeled "Print your registration PDF".

If you have any additional questions, please contact the NY Medicaid EHR Incentive Program Support team by email at hit@health.state.ny.us or by telephone at 1 (800) 278-3960.

For complete details on the NY Medicaid EHR Incentive Program, please visit the [eMedNY EHR Incentive Program website](#).
