Important Notice: Changes to Meaningful Use in 2015 through 2017

On 10/16/2015, the Centers for Medicare and Medicaid Services (CMS) published a final rule [Stage 3 and Modifications to Meaningful Use in 2015 Through 2017](#). This rule sets new criteria for eligible professionals and eligible hospitals participating in the EHR Incentive Programs.

Please note that NY Medicaid's website www.emedny.org/meipass and MEIPASS do not currently reflect these policy changes. More details about the changes to meaningful use for 2015 and beyond will be posted in the near future. Announcements will be made via LISTSERV® and the program website when providers may attest to the modified requirements for payment year 2015.
