December 2017

**NY Medicaid EHR Incentive Program LISTSERV**

**Happy New Year from the NY Medicaid EHR Incentive Program**

As the year 2017 comes to an end, The NY Medicaid EHR Incentive Program would like to thank Eligible Professionals and Eligible Hospitals for their continued participation. In reflecting on all that happened in the program year, the NY Medicaid EHR Incentive Program would like to highlight some of the many accomplishments that took place in 2017:

- The MEIPASS system opened for 2015 and 2016 Meaningful Use and 2016 Adopt, Implement, or Upgrade attestations.
- Over 5,700 Medicaid Providers were granted almost \$63-million in incentive funds.
- The EHR Incentive Program support team answered 9,211 phone calls and 3,603 email requests.
- A new EHR Incentive Program website launched in early 2017 and has since received over 39,600 page views.
- New training resources were added, including thirteen interactive tutorials that have received over 1,500 views.
- More than 2,000 individuals attended 93 EHR Incentive Program webinar sessions.

Thank you to all Eligible Hospitals and Eligible Professionals for your continued participation.

**Public Health Registration Deadline Extension Available for 2017 First Time MU Providers**

Providers who are attesting to Meaningful Use (MU) for the first time in Program Year 2017 will have until December 31, 2017 to register their Intent to Submit Data to Public Health. The NY Medicaid EHR Incentive Program previously announced an earlier deadline, however CMS has granted permission for NY Medicaid Providers to extend their registration until the last day of their EHR Reporting Period. The last possible EHR Reporting Period for Program Year 2017 is October 3, 2017 – December 31, 2017. Providers who intend to attest to 2017 MU that do not register by 11:59PM (EST) December 31, 2017 will need to meet the 2017 MU Public Health Reporting Objective through other means.
