Public Health Reporting LISTSERV: 9/3/2019

Now Available: MURPH Audit Report Card Tutorial

Check out this [quick video tutorial about the Audit Report Card](#) module in the Meaningful Use Registration for Public Health (MURPH) system. It demonstrates how to use the self-service tool for Eligible Professionals and Eligible Hospitals. The Audit Report Card displays the history of onboarding statuses for each registry that providers participate with.

Additionally, make sure to review the [MURPH Onboarding Status Quick Reference Guide](#). This document defines the onboarding statuses that providers may encounter when using the MURPH Audit Report Card.

The purpose of this LISTSERV is to offer providers, vendors, and other subscribers the opportunity to receive notifications regarding the EHR Incentive Program Public Health Reporting Objective. These email notifications are provided as a free service to subscribers and the notifications will contain information on the Medicare and Medicaid EHR Incentive Programs. This includes information on updates, changes, and initiatives that may impact the provider community.

This notification serves as an informational reference for providers participating in the NY Medicaid or Medicare EHR Incentive Programs. Although reasonable effort has been made to ensure the accuracy of the information within this document at the time of posting, it is the responsibility of each provider to comply with the current policies and requirements of the program.
