August Webinars

Webinars provide us with an opportunity to share in-depth information on Meaningful Use (MU) topics and the NY Medicaid EHR Incentive Program. We strive to make webinars as interactive and valuable for attendees as possible. In doing so, attendees are encouraged to ask any questions they may have about the topic throughout the duration of the webinar. We will answer as many questions as possible during the Question & Answer session at the end of each webinar.

Here are our upcoming webinars in August**:**
