Payment Year (PY) 2020 Attestation Deadline

The PY2020 Attestation Period ends today.

PY2020 attestations will be accepted until 11:59PM. If an attestation is not submitted by this time, it will not be considered unless the provider has been granted an **Attestation Deadline Extension (ADE)**.

If you have not already submitted your attestation and will not be able to do so by this time, please see the information below regarding the ADE process.

PY 2020 Attestation Deadline Extension (ADE) Period

If you will not be able to submit your attestation by the regular deadline due to extenuating circumstances, you may be able to submit an **Attestation Deadline Extension (ADE)**. ADEs will be accepted until **March 1st, 2021**, and providers who are granted an ADE will have until **March 31st, 2021** to submit their PY2020 attestations.

To submit an ADE, download the [ADE Request Form](#) and submit the completed excel file to attestation@health.ny.gov during the acceptance period.

Please note that ADEs can only be accepted if sent in the correct file format, to this email address, and during the acceptance period. Failure to meet these requirements may result in the request being denied.

Regional Extension Centers (RECs)

New York State has two RECs that provide free support services to healthcare providers as they navigate the EHR adoption process and achievement of meaningful use.
