## Final Environmental Scan Survey

As the program comes to a close, the NY Medicaid EHR Incentive program is looking for your feedback. A final Environmental Scan Survey is being conducted to gather information about participant experience in the program, with a version for [Eligible Professionals](#) (EPs) and a separate version for [Eligible Hospitals](#) (EHs).

This survey can be accessed online via SurveyMonkey using the above links and will take approximately 10 minutes to complete. The questions in each will pertain to the adoption, Meaningful Use, and impact of Certified Electronic Health Record Technology (CEHRT) as experienced by your practice or organization.

Survey responses will be collected from **April 5th, 2021 to July 5th, 2021\***, and all published data will be compiled anonymously. We strongly encourage participation from all providers and organizations.

If you have any questions regarding the survey or difficulties when completing it, please contact our support team. We look forward to hearing your feedback!

*\*The July 5<sup>th</sup> end date is tentative and may be extended if necessary. Any changes or extensions will be communicated well in advance via LISTSERV*

## Regional Extension Centers (RECs)

New York State has two RECs that provide free support services to healthcare providers as they navigate the EHR adoption process and achievement of meaningful use.
