Remediation Deadline

The remediation submission deadline for Payment Year (PY) 2021 is **November 24th, 2021**, which is two weeks away. If there are any outstanding requests for additional information regarding your attestation, they must be addressed by this deadline for your submission to be considered.

If additional documentation or action is required to support your attestation, ensure that all requested information is sent to our support staff by this deadline. This will be the final supporting documentation that will be reviewed, and for that reason we encourage you to review the information closely for accuracy.

If you have any questions regarding this information, please contact NY Medicaid EHR Incentive Program Support by phone at 877-646-5410 Option 2, or by email at hit@health.ny.gov.
