

**Public Health Reporting  
LISTSERV**

December 14, 2021

**MURPH System Shutdown**

The Enhanced Meaningful Use (EMU) program is scheduled to sunset on **December 31, 2021**. The Meaningful Use Registration for Public Health (MURPH) system will be taken offline on this date as well.

Once MURPH is offline, EPs/EHs will no longer have access to their Audit Report Cards (ARCs) through MURPH. After the EMU program ends, your ARC will be the only proof of participation in the program. We encourage all program participants to log in to MURPH and download the most recent copy of their Audit Report Card before the **December 31, 2021** deadline. Please retain this copy for your records in case of an audit initiated by the Office of Medicaid Inspector General (OMIG).

The purpose of this LISTSERV is to offer providers, vendors, and other subscribers the opportunity to receive notifications regarding the EHR Incentive Program Public Health Reporting Objective. These email notifications are provided as a free service to subscribers and the notifications will contain information on the Medicare and Medicaid EHR Incentive Programs. This includes information on updates, changes, and initiatives that may impact the provider community.
