Introduction

- EVV Interface Control Document (ICD)
 - Has been posted to https://www.health.ny.gov/health_care/medicaid/redesign/evv/index.htm
 - NYSDOH will be closing the public comment period when the EVV Technical Survey closes
 - Final ICD will be posted the last week in June, 2020
- NYSDOH EVV Technical Survey
 - Gather information on how organizations are planning to submit EVV Data to eMedNY
 - The intended participants of this survey are: providers subject to EVV requirements; EVV vendors; MCOs; and Verification Organizations.
 - This survey is intended to collect technical implementation data, and so you may need the assistance of your technical staff or software vendor to assist you in your answers.
 - Survey was sent out via the EVV and eMedNY Listservs on June 2nd, 2020, please email EVVHelp@health.ny.gov for a link to the survey
 - NYSDOH would appreciate your responses to the survey by **June 19th, 2020**

Technical Updates

- Upcoming Pilot Testing
 - NYSDOH will be reaching out to a select few organizations who expressed an interest in Pilot testing via the survey and/or EVVHelp@health.ny.gov
 - Pilot testing will allow EVV Submitters to test connection and ability to transmit EVV data
- Companion Guide
 - NYSDOH will be publishing a Companion Guide by late summer, 2020
 - Provide details on the EVV transaction to specify data content, so that it can be transmitted to the Representational State Transfer (REST)ful Application Programming Interface (API)
- Onboarding EVV Submitters into eMedNY
