Dear Ms. Frescatore,

The Centers for Medicare and Medicaid Services New York Regional Office received your request on August 1, 2019, to withdraw from consideration for approval proposed New York State Plan Amendment (SPA) #18-0017. This SPA proposed to update the language for Target Group G, Medicaid enrolled clients who are served by the New York State Early Intervention Program and who are infants or toddlers from birth through age two years having or suspected of having a developmental delay or a diagnosed physical or mental condition that has a high probability of resulting in a developmental delay.

The New York Regional Operations Group accepts your withdrawal request and is no longer processing the approval of this SPA.

If you have further questions or concerns please contact Vennetta Harrison at [vennetta.harrison@cms.hhs.gov](mailto:vennetta.harrison@cms.hhs.gov) or (212) -616-2214.

Sincerely,
